**Directions for Academic Action Plan:**

- Hand out copy of **Quarter One progress grades**.
- Have students look at past Academic Action plans. Direct students to use the bottom of their progress report to write one or two focus areas... Set a goal... and decide on an improvement plan.
- The progress report w/ student goals will be filed in the "**Grade Info**" section of binder.

**Academic Advisory... "Why do we do this?"**

Remind students that Academic Advisory is a program to help students plan and assess their academic progress. They will continue to develop a transition portfolio as a resource for their lifelong career planning process.

**student planner:** It does more than you think!

- You can find the "Delayed Opening Schedule" on the inside front cover!
- Page 169 is a "Parts of Speech" cheat sheet!
- If you're having trouble with fractions- turn to page 189!
- The world map can be found on page 185
- A map of the good old' USA is on page 186... Do you know all 50 states?
